*A group of generous donors who have pledged to make a monthly or weekly contribution to the Crisis Center.  
No amount is too small to make a large impact on the lives of others.*

## Benefits of Monthly Giving:

As a Purple Ribbon Club member, by making a recurring contribution, you'll have the added benefit of:

- **A special Purple Ribbon Club token of appreciation**
- **Exclusive personal monthly email with Crisis Center updates and client stories**
- **Inclusion in the Purple Ribbon Club member list on our website and annual report**
- **A personal acknowledgement letter from the Crisis Center when you make your commitment**
- **Easy set up, access and changes to your account on our secure donation site**

## Why Should I Give Monthly?

Monthly giving is an easy and effective way to support the Crisis Center throughout the year. We rely on consistent, unrestricted funding to provide life-saving programs and services to those we serve. By scheduling a monthly donation, you will spread your charitable giving over 12 months, helping simplify your personal budget and assisting the Crisis Center in managing our cash flow all year long. *You will receive a year-end tax letter detailing your total annual donation.*

## How Does My Donation Make A Difference?

Every dollar donated helps the Crisis Center continue to positively impact the lives of those we serve through direct service programs and outreach to the community. Specifically:

- **\$10 per month** provides domestic violence prevention education and outreach activities to members of our community.
- **\$20 per month** provides 24 hours of support for the Crisis Center's 24-hour/365 crisis line.
- **\$40 per month** provides toys and art supplies for a child to receive six play therapy sessions.
- **\$65 per month** provides legal advocacy for one client seeking a protection order, child custody or court support.
- **\$100 per month** provides one night of safe emergency shelter for a mother and her young child, including food and daily essentials.

We currently have **12** Purple Ribbon

Club members and we want to

**DOUBLE that in 2018!**

Will you help us get to **24** monthly supporters?!
