CRISIS CENTER

Financial Statements As Of December 31, 2018

Together With Independent Auditors’ Report
INDEPENDENT AUDITORS’ REPORT

To the Board of Directors of
Crisis Center:

Report on the Financial Statements

We have audited the accompanying financial statements of Crisis Center (the “Organization”), a not-for-profit organization, which comprise the statement of financial position as of December 31, 2018, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also

includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Crisis Center as of December 31, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Effect of Adopting New Accounting Standard

As discussed in Note 2, the Organization adopted the Financial Accounting Standards Board’s Accounting Standards update (“ASU”) 2016-14, Not-for-Profit Entities (Topic 958)-Presentation of Financial Statements of Not-for-Profit Entities as of and for the year ended December 31, 2018. The requirements of the ASU have been applied retrospectively to all periods presented. Our opinion is not modified with respect to this matter.

CRISIS CENTER

Statement Of Cash Flows
For The Year Ended December 31, 2018

Cash flows from operating activities:
   Changes in net assets $ 103,644
Adjustments to reconcile changes in net assets to net cash provided by operating activities:
   Depreciation and amortization expense 64,920
   Changes in operating assets and liabilities -
      Decrease in accounts receivable 53,428
      Decrease in promises to give 46,674
      (Increase) in prepaid expenses (632)
      (Increase) in inventory (1,957)
      (Decrease) in accounts payable and accrued liabilities (106,599)
      Net cash provided by operating activities 159,478

Cash flow from investing activities
   Purchases of property and equipment (239,725)
   Net cash (used in) investing activities (239,725)

Cash flows from financing activities:
   Payments on capitalized lease obligation (3,748)
   Proceeds from line of credit 85,000
   Payments on line of credit (205,204)
   Net cash (used in) financing activities (123,952)

NET (DECREASE) IN CASH AND CASH EQUIVALENTS (204,199)

Cash And Cash Equivalents, Beginning Of Year 328,604

CASH AND CASH EQUIVALENTS, END OF YEAR $ 124,405

Supplemental Disclosure:
   Cash paid for interest $ 7,710

The accompanying notes are an integral part of the financial statements.
(1) **Nature Of The Organization**

The purpose of the Crisis Center (the "Organization") is to provide a wide range of services to battered women and children residing primarily in Douglas County, Colorado. The majority of the Organization's support and revenue is derived from contributions and grants.

(2) **Summary Of Significant Accounting Policies**

**Method Of Accounting**

The financial statements have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America.

**Basis of Accounting**

Financial statement presentation follows the recommendations of *Financial Statements for Not-for-Profit Organizations*. Under this standard, the Organization is required to report information regarding financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions**: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

**Net assets with donor restrictions**: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds must be maintained in perpetuity.

**Measure of Operations**

The statements of activities reports all changes in net assets, including changes in net assets from operating and non operating activities. Operating activities consists of those items attributable to the Center’s ongoing program services. Nonoperating activities are limited to resources that generate other activities considered to be of a more unusual or nonrecurring nature.
Use Of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Cash And Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents includes cash on hand and money market accounts. The Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalent.

Accounts Receivable

Accounts receivable consists primarily of amounts due from government agencies for grants awarded to the Organization. As of December 31, 2018, management believes all grants receivable are fully collectible and thus there is no allowance for doubtful accounts. Accounts receivable are written off when collection appears doubtful.

Promises To Give

Unconditional promises to give are recognized as revenues in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Promises to give are recorded at net realizable value if expected to be collected in one year and at fair value if expected to be collected in more than one year. As of December 31, 2018, the promises to give are expected to be collected within one year of the financial statement date.

Inventory

Inventory is stated at lower of cost or market. Cost is determined using the first-in, first-out (FIFO) method.

Property And Equipment

Property and equipment is stated at acquisition cost or fair market value at the contribution date. Depreciation and amortization are computed using the straight-line method over the following estimated useful lives of the assets:

- Building and improvements: 20-40 years
- Furniture and equipment: 5-7 years
Maintenance, repairs and renewals which neither materially add to the value of the property nor appreciably prolong its life are charged to expense as incurred. Gains or losses on dispositions of property and equipment are included or netted with expenses.

The Organization’s capitalization policy is to capitalize purchases of $500 and greater with a useful life in excess of one year, and to expense purchases under $500.

**Fair Value Measurements**

The carrying amount reported in the statement of financial position for cash and cash equivalents, promises to give, accounts payable and accrued liabilities approximate fair value because of the immediate or short-term maturities of these financial instruments.

**Contributions and Grants**

Contributions and grants received are recorded as unrestricted or temporarily restricted support, depending on the existence or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

**Donated Assets**

Donated marketable securities and other noncash donations are recorded as contributions at their estimated fair value at the date of donation.

**Methods Used for Allocation of Expenses from Management and General Activities**

The financial statements report certain categories of expenses that are attributable to one or more program or supporting functions of the Organization. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Such expenses include salaries and benefits, depreciation and amortization, food and office supplies, membership dues, travel and staff expense, and insurance and taxes. These expenses are allocated on the basis of estimates of time and effort.

**Adoption of New Accounting Pronouncement**

During the year ended December 31, 2018, the Organization adopted the Financial Accounting
Standards Board’s Accounting Standards Update (ASU) No. 2016-14 - Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities. This update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return between not-for-profit entities. The change required by the update have been applied retrospectively to all periods presented. A key change required by ASU 2016-14 are the net asset classes used in these financial statements. Amounts previously reported as unrestricted net assets are now reported as net assets without donor restrictions and amounts previously reported as temporarily restricted net assets and permanently restricted net assets, if applicable, are now reported as net assets with donor restrictions.

Subsequent Events

The Organization has performed an evaluation of subsequent events through April 12, 2019, which is the date the financial statements were available to be issued, and has considered any relevant matters in the preparation of the financial statements and footnotes.

(3) Tax Exempt Status

The Organization has previously received notice from the Internal Revenue Service of exemption from income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A). Accordingly, the accompanying financial statements contain no provision for income taxes.

The Organization follows Accounting for Uncertainty in Income Taxes which requires them to determine whether a tax position (and the related tax benefit) is more likely than not to be sustained upon examination by the applicable taxing authority, based solely on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon settlement, presuming that the tax position is examined by the appropriate taxing authority that has full knowledge of all relevant information. During the year ended December 31, 2018, the Organization’s management evaluated its tax positions to determine the existence of uncertainties, and did not note any matters that would require recognition or which may have an affect on its tax-exempt status.

The Organization is no longer subject to U.S. federal tax audits on its Form 990 by taxing authorities for years ending prior to December 31, 2015. The years subsequent to this year contain matters that could be subject to differing interpretations of applicable tax laws and regulations. Although the outcome of tax audits is uncertain, the Organization believes no material issues would arise.
(4) **Contingencies And Concentration Of Credit Risk**

Financial instruments that potentially subject the Organization to credit risk include cash deposits in excess of federally insured limits of $250,000. As of December 31, 2018, all deposits were fully covered by FDIC Insurance.

Amounts received or receivable from grantor agencies are subject to audit and adjustment by such grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. In that event, the Organization may be required to refund amounts to the federal government.

As of December 31, 2018, 63% of the promises to give is due from two grantors. Additionally, as of December 31, 2018, 27% of support and revenue was from one grantor.

(5) **Capital Leases Obligations**

The following represents obligations under capital lease for copier equipment as of December 31, 2018:

Due in monthly installments of principal and interest of $566 through August 2022, interest rate of 14%, secured by equipment.

Future minimum lease payments for the above lease is as follows:

<table>
<thead>
<tr>
<th></th>
<th>$</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total payments</td>
<td>24,912</td>
</tr>
<tr>
<td>Less interest</td>
<td>(5,593)</td>
</tr>
<tr>
<td>Present value of future</td>
<td>19,319</td>
</tr>
<tr>
<td>minimum lease payments</td>
<td></td>
</tr>
<tr>
<td>Less current portion</td>
<td>(4,318)</td>
</tr>
<tr>
<td>Total long-term obligations</td>
<td>15,001</td>
</tr>
</tbody>
</table>

Future annual maturities of capital lease obligations outstanding as of December 31, 2018 are as follows:

<table>
<thead>
<tr>
<th>Year Ending December 31</th>
<th>$</th>
</tr>
</thead>
<tbody>
<tr>
<td>2019</td>
<td>4,318</td>
</tr>
<tr>
<td>2020</td>
<td>4,974</td>
</tr>
<tr>
<td>2021</td>
<td>5,731</td>
</tr>
<tr>
<td>2022</td>
<td>4,296</td>
</tr>
<tr>
<td></td>
<td>19,319</td>
</tr>
</tbody>
</table>
(6) **Line Of Credit**

The Organization has a line of credit in the amount of $175,000 with a financial institution at the Wall Street Journal Prime published interest rate, plus 2% which matures on September 29, 2019. The interest rate as of December 31, 2018 was 7.50%. A minimum payment of interest only is due each month. As of December 31, 2018, there was no balance owed on the line of credit.

(7) **Net Assets With Donor Restrictions**

Net assets with donor restrictions consisted of restrictions subject to the passage of time for periods after December 31, 2018.

(8) **Liquidity and Availability of Financial Assets**

The following represents the Organization’s financial assets as of December 31, 2018:

<table>
<thead>
<tr>
<th>Financial assets, as of year-end</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Cash and cash equivalents</td>
<td>$ 124,404</td>
</tr>
<tr>
<td>Accounts receivable</td>
<td>147,552</td>
</tr>
<tr>
<td>Promises to give</td>
<td>67,927</td>
</tr>
<tr>
<td>Financial assets available to meet cash needs for</td>
<td></td>
</tr>
<tr>
<td>general expenditures within one year</td>
<td>$ 339,883</td>
</tr>
</tbody>
</table>

The Organization’s goal is generally to maintain financial assets to meet 90 days of operating expenses, or 25% of the annual operating budget. Subsequent to year end, as part of its liquidity plan, the Organization adopted a board designated reserve policy that states it will intentionally work towards building a 90 day reserve by setting aside up to 5% of excess cash each quarter in short-term investments, including a money market account. Additionally, the Organization has a $175,000 line of credit available to meet cash flow needs.

(9) **Grants**

Grants received from government agencies consisted of the following for the year ended December 31, 2018:
ACT  $ 73,656  
Colorado Department of Local Affairs - Division of Housing  25,017  
Douglas County  207,076  
Town of Castle Rock  17,500  
Town of Parker  50,000  
Victim Assistance and Law Enforcement Board (VALE)  125,000  
 Victims of Crimes Act (VOCA)  366,088  
  $ 864,337

(10) **Expenses**

Total expenses incurred during the year ended December 31, 2018, are as follows:

- Total expenses reported by function  $ 1,239,432  
- Cost of direct benefit to donors  47,264

Total expenses  $ 1,286,696

(11) **New Accounting Pronouncements**

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers* (Topic 606), which requires an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The ASU will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective. The standard permits the use of either the retrospective or cumulative effect transition method.

In August 2015, the FASB issued ASU No. 2015-14, *Revenue from Contracts with Customers* (Topic 606), which deferred the effective date of the new revenue recognition standard for one year. The new standard is effective for the Organization’s year ended December 31, 2019. Early application is permitted for the Organization. The Organization is evaluating the effect that No. 2015-14 will have on its financial statement and related disclosures.

In June 2018, the FASB issued ASU No. 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope of the Accounting Guidance for Contributions Received and Contributions Made*, which clarifies how entities will determine whether to account for a transfer of assets as an exchange transaction or a contribution. The distinction is important because contributions are accounted for under Accounting Standards Codification (ASC) 958-605, *Not-for-Profit*
Entities - Revenue Recognition, which exchange transactions are accounted for under other guidance such as ASC 606, *Revenue from Contracts with Customers*. The guidance also clarifies how entities will determine whether a contribution is conditional. The timing of revenue and expense recognition depends upon whether a contribution is conditional or unconditional. The new standard is effective for the Organization’s financial statements for December 31, 2019. Early adoption is permitted. The Organization is evaluating the effect that ASU No. 2018-08 will have on its financial statements and related disclosures.

In December of 2018, FASB issued ASU No. 2018-20, *Leases*. ASU No. 2018-20 which requires the Organization to recognize all leased assets as assets on the statement of financial position with a corresponding liability resulting in a gross up of the statement of financial position. Entities will also be required to present additional disclosure as to the nature and extent of leasing activities. The requirements of this statement are effective for the Organization’s financial statements for the year ended December 31, 2020. The Organization has not evaluated the impact due to the timing of implementation of this standard.
