

## Volunteer Opportunities

### Indirect Service Volunteer Positions:

- ♥ **Community Outreach** volunteers help us spread the word about our organization by distributing information at community events, helping with supply drives, and speaking to the public about what we do here at the Crisis Center.
- ♥ **Special Events** volunteers assist with our annual Gala as well as other events as needed. This can include; working on the gala committee, collecting donation items, set up and tear down of event, etc.
- ♥ **Administrative Assistance** volunteers help our staff cover the front desk and help with answering phones and the door. Other possible administrative tasks include light clerical work, organizing, and some data entry work.

### Direct Service Volunteer Positions:

*Direct Service positions require the volunteer to be at least 18 years of age and at least 20 hours of training, provided by the Crisis Center.*

- ♥ **Child Care** volunteers provide childcare to infants, toddlers, preschool & school age children. These volunteers help give our clients time to attend to things that are not so child friendly such as court appearance or group therapy nights.
- ♥ **Crisis Line** volunteers answer our 24-hour crisis hotline during normal business hours. Staff and volunteers provide crisis intervention, information, and resources to callers.
- ♥ **Lethality Assessment Program (LAP)** is a collaborative service with local law enforcement. Officers investigating a domestic violence situation contact the LAP line when a victim is assessed as being in a highly lethal relationship. LAP volunteers speak briefly with the victim offering resources and immediate short term safety planning.
- ♥ **Legal Support** volunteers assist our legal advocates by providing comforting support to clients during court appearances and research concerning civil court cases.
